Subject: RE: Monthly Hopi Infrastructure Call - Thursday, February 6, 2014 at 9:30 a.m. Hopi Time

Bessie – FYI, Lionel and I are likely not to be able to make this call. As of this afternoon, I'm scheduled to be meeting with the Hopi Tribal Council a good part of that day. Lionel is out of town this week so I haven't been able to check in with him but I assume he would be with me before the Council that day. Right now the schedule is for the Council to pass the HAMP resolution that day.

It is possible that the meeting with the Council will be delayed since Chairman Honanie and George Mase, who were here in DC today, a just on their way back to Phoenix tonight and won't meet with the Council until Monday to get agreement no taking up the HAMP resolution on the 6th. They thought the 6th would work, however. I can let you know – probably Monday evening – if the Council meeting is still scheduled for the 6th.

Bill
